

BELGIUM'S CASE LAID BEFORE PEACE PARLEY

King Albert Outlines Needs of His Country

PARIS, April 4.—(By The Associated Press.)—Belgium's case has been laid before the peace conference by King Albert who has been in Paris three days. In numerous conferences with the representatives of the great powers he has outlined the needs of his country and told of the story that must be taken immediately if Belgium is to be restored.

King Albert has had long conversations with President Wilson, Col. E. M. House, Premier Clemenceau and David Lloyd George, leading up to his appearance before the council of four today.

A number of the Belgian peace delegates told the Associated Press today that what King Albert told the council might be summarized thus:

"The time of promises has passed. If Belgium is to live the council must act.

The Associated Press is able to state that three questions of vital importance to the re-establishment of Belgium, financially, economically and politically were discussed. The first was the immediate advance to Belgium of about ten billion francs, the second the exportation to Belgium from England and the United States of raw materials and the third the cession to Belgium of the left bank of the L'Escaut river and the Lember peninsula.

Take Up Finances

The first item, represents the value of German marks left in circulation in Belgium. After the departure of the Germans the ministry of finance sent out an urgent call to holders of the marks to deposit them in the banks. The amount was estimated to be about two billion and it had been the government's intention to redeem them at the par value of one franc. Belgium was not prepared for the avalanche of marks that resulted. Eight billion marks passed thru the banks' windows. The banks were unable to reduce this amount of paper and depositors were given receipts. The payment of an immediate indemnity by Germany was relied upon to enable repayment of these deposits. The indemnity thus far has failed to materialize. Depositors cannot draw against these credits with the result that some ten billions of francs are idle as the banks are paying no interest on such deposits.

The importation of raw materials is said to be indispensable to the retrieving of Belgium from the economic standpoint.

The correspondent has just returned from an extended trip in Belgium. Everywhere he found manufacturers complaining of the situation arising from the fact while the Americans and British permit exportation into Belgium of manufactured articles they thus far have failed to send raw materials which would permit industries resuming work.

**GOLD SUPPLY
IN RUSSIA LOW**

WASHINGTON, April 4.—All the gold that can be at the disposal of the Russian Bolsheviks is \$27,800,000 plus the amount that may have been seized in Moscow belonging to the banks of Rumania which amount to \$125,000,000 according to calculations made today in official quarters here.

The question was raised by the announcement in New York of Ludwig C. A. K. Martens, who styles himself ambassador from Soviet Russia that he was ready to deposit \$200,000,000 in gold as a guarantee to purchases to be made in this country for the needs of the Bolshevik government.

At the beginning of the war the gold reserve of the Russian state bank at Petrograd amounted to \$753,200,000. Reductions since then include \$160,000,000 turned over to the Germans in accordance with the terms of the Brest-Litovsk treaty and since delivered to the allies under the armistice agreement: \$132,000,000 exported to the allies before the revolution; \$325,000,000 forwarded to Siberia and taken over by the Omsk government and a large sum which fell into the hands of the people's army last fall.

**BRUNDAGE WILL
FIGHT BURELSON**

Springfield, Ill., April 4.—Attorney General Brundage was instructed by the Illinois public utilities commission today, to begin legal proceedings against Postmaster General Burelson for increasing the telegraph rates within the state of Illinois without first consulting with the orders and rules of the utilities commission by filing with the commission the schedule of the new rates.

NAMED MEDIATOR.

Washington, April 4.—W. H. Rodgers, federal conciliator was assigned today to a labor dispute of furniture manufacturers at Rockford, Ill.

Investigation of High Building Prices Continues

CHICAGO, April 4.—Testimony given today before the legislative commission investigating the high cost of building material showed that the price of common brick in Chicago has increased from \$5 a thousand in 1906 to \$12 a thousand in 1919.

During the examination of Charles H. Alsip, president of the Calumet Brick Company, Chairman John Dailey said:

"We have information that Chicago brick manufacturers always have had an organization of fixing prices. This body we are told issues schedules of prices at regular intervals. Ninety percent of all the brick sold in Chicago are made by manufacturers who belong to this combination. It is shown by the testimony that all dealers practically charge the same price for brick. There appear to be only about four small independent manufacturers in this city."

Mr. Alsip testified that with the consent of the government the brick makers formed the central sales agency in May, 1918 to conserve fuel and labor and that the Illinois Brick Company manufactured all the brick sold in Chicago during that period. This selling agency he said was dissolved in January, 1919, and the Chicago Brick Manufacturers association organized.

Denies Price Fixing.

He denied that this was a price fixing body but was unable to explain just what purpose it served. C. P. Mortens, secretary of the American Equipment Company testified that he acted as secretary of the sales agency while William E. Schlake head of the Illinois Brick Company was president of the organization. He denied that the body ever discussed or fixed prices.

John J. Burke of the Alexander Burke Sons Brick Company described that concern as an independent but admitted that it charged \$12 for its product.

He also said its business was confined to the west side of Chicago, but denied any understanding in regard to territory with competitors.

A. T. Tierball of the Acme Brick Company another independent said his company was selling its product as low as \$11.

E. B. Schmidt, general manager of the Jenkins Gravel Company of Terre Haute, Ind., said his concern had 10,000,000 cubic yards of gravel which it was willing to sell to the state of Illinois for road building on a royalty basis at a price to the state of 15 cents a yard. The market price for gravel he said was \$1.15 a yard. The state, he said, could install a plant at the gravel pits to excavate the material at 50 cents.

The commission will consider the proposition in its report to the general assembly.

**LUDEENDORFF WRITING
BOOK ON GREAT WAR**

BERLIN, April 4.—(By The A. P.)—A Berlin newspaper today prints extracts from the forthcoming book written by General Ludendorff who says the defeat of the Germans on August 8, in the Franco-British offensive near Albert and north of Montdidier, finally resulted in the Germans losing hope of a military victory.

Conferences were held with Chancellor von Hertling, Admiral von Hintze, the foreign minister and Field Marshal von Hindenburg on August 14, 15 and 16, and there also was a meeting of the crown council "at which I clearly stated that the war could no longer be won militarily," says Ludendorff.

At the beginning of September the supreme army command again invited von Hertling and von Hintze to Spa, Ludendorff adds. In these discussions the situation on the western front was again depicted as very grave according to Ludendorff.

**CONSIDER FINDINGS
OF LABOR BOARD**

LONDON, April 4.—An optimistic view of the work on the industrial conference comprising representatives of the employers and the trade unions of the United Kingdom, was expressed at a joint meeting of that body today to discuss a secret report made by the committee of ten. Meetings of the trade unionists and the employers were being held this afternoon to consider the report.

The report it is understood recommended the following immediate reforms:

A forty-eight hour week with a scale of minimum wages to be applied universally.

Trade conferences are to be held on future war bonuses the maintenance of the unemployed and old age pensions.

**SHIPPING BOARD
MEMBERS RESIGNS**

Washington, April 4.—Charles R. Page of San Francisco, one of the members of the shipping board has forwarded his resignation to President Wilson. At the request of the president, however, it was said today that Mr. Page would continue as a member of the board for the present.

FILIPINOS WILL BE ALLOWED TO GOVERN SELVES

Is Desire of Wilson, Baker Tells Special Mission

WASHINGTON, April 4.—Members of the special mission of the Philippine legislature here seeking immediate independence for the island, were told today by Secretary Baker that he spoke President Wilson's mind when he said he believed the time had come to grant the complete independence desired by the Filipino people.

The war secretary also said he believed the mission would be able to carry home word that the American people loved liberty too dearly to deny it to others.

He read a letter left by President Wilson when he went to Europe expressing the hope that the mission would result in bringing about the desirable ends set forth in joint resolution of the legislature.

Francis Burton Harrison, governor general of the Philippines followed Mr. Baker with the statement that his experience in the islands had convinced him the obstacles to independence that appeared to exist a few years ago had been cleared away.

The mission including forty prominent Filipinos and headed by Manuel Quezon, president of the senate upon being received in Secretary Baker's office today presented a formal memorial asking independence and pointing particularly to the record of the Philippine islands in the great war.

Wilson's Letter.

In replying, the secretary read President Wilson's letter, addressed to him under date of March 3rd. It was as follows:

"Will you please express to the gentlemen of the commission representing the Philippine legislature my regret that I shall be unable to see them personally on their arrival in Washington, as well as my hope that their mission will be a source of satisfaction to them and that it will result in bringing about the desirable ends set forth in the joint resolution of the legislature approving the sending of the commission to the United States."

"I have been deeply gratified with the constant support and encouragement received from the Filipino people and from the Philippine legislature in the trying period through which we are passing. The people of the United States, with reason, taken the deepest pride in the loyalty and support of the Filipino people."

Though unknown to the commission, the Filipino people shall not be absent from my thoughts. Not the least important labor of the conference which now requires my attention is that of making the pathway of the weaker people of the world less perilous—a labor which should be, and doubtless is, of deep and abiding interest to the Filipino people."

"I am sorry that I cannot look into the faces of the gentlemen of this mission of the Philippine people and tell them all that I have in mind and heart as I think of the patient labor, with the end almost in sight, undertaken by the American and Filipino people for their permanent benefit."

"I know, however, that your sentiments are mine in this regard, and that you will translate truly to them my own feelings."

Baker Replies.

Secretary Baker in replying to Mr. Quezon, recounted the history of the transition in the relations between the American government and the islands from the time of the establishment of the military government to the present. The island people are now virtually independent, he said. The only link being the American governor-general and the most binding of ties, that of affection. Prosperity has come with the carrying out of the great experiment in colonial relationship upon which the two peoples embarked, he said; but the experiment itself would have been a failure had the Filipinos not learned, if they did not already have it, a love of liberty, political independence.

**INDUSTRIAL STRIKE IN
SAN FRANCISCO ENDS**

San Francisco, Cal., April 4.—A year of industrial strife in San Francisco Bay district ship yards and contract shops was ended today when approximately 10,000 machinists, boiler makers and allied craftsmen who were out for two months or more as a result of a strike returned to work under a compromise agreement. Under the compromise, accepted by the unions yesterday, Saturday work will be reduced hour by hour until a half holiday is brought about on April 26.

JUDGE LINDSEY ILL.

Denver, Colo., April 4.—Mrs. Ben B. Lindsey, wife of Judge Ben B. Lindsey of the Denver juvenile court, left today for New York City in response to a telegram stating that Judge Lindsey was dangerously ill there.

Story Of How Wilson Broke Diplomatic Rules

NEW YORK, April 4.—The story of how President Wilson broke diplomatic precedent on October 20, 1918, by direct parley with the Germans, was told here today by C. M. Ripley, a wireless specialist of the General Electric Company.

It was exactly noon on Oct. 20, Mr. Ripley said when an operator in the naval wireless station at New Brunswick started American and allied government wireless operators with the call:

"P. O. Z.—P. O. Z.—P. O. Z.—De N. F. F."

Translated the call meant that "N. F. F." the New Brunswick station was calling "P. O. Z." the German government wireless station at Nauzen.

Visions of daring treachery on the part of some naval wireless operator were equally daring German spy operations, Mr. Ripley imagined, flitted thru the minds of operators who were not on the inside of President Wilson's plan.

Almost immediately there flashed back from the Nauzen station the patronizing comment: "Your signals are fine old man."

Then the New Brunswick operator began sending President Wilson's first message to the German people, couched in plain, terse English and informing them that no peace negotiations could be considered until William Hohenzollern had stepped down and out.

From that time until the signing of the armistice, Mr. Ripley said, the president maintained direct wireless communication with Germany couched all his messages in plain English which the allied government could pick up by wireless and giving the text to the American public as soon as the messages had been sent.

**EVILS IN COURT
MARTIAL SYSTEM**

NEW YORK, April 4.—Lieut. Col. J. Leslie Kincaid, former judge advocate of the 27th division in a statement issued here tonight reciting what he considers some of the evils of the present military system made an attack on the French prison farms, charging brutal treatment of American soldiers held there for minor offenses.

"Little information has reached this country regarding military prisoners in France and the so-called prison farms, the statement said. "Yet the conditions in these institutions beggar description. I know one official report which states that American boys, technically guilty of absence without leave, because they had missed a train in Paris, were drilled in a field in front of machine guns; where men are called to attention and knocked to the ground by repeated blows in the face."

"As early as August, 1918, the condition of the prisoners in France was complained of, but statements of prisoners incarcerated there in November and December, 1918, showed that the conditions were still bad."

Result of repeated complaints disciplinary action against several officers and non-commissioned officers at prison camp No. 2 was commenced. What the result has been I do not know."

**ANNOUNCE SAILING
OF TRANSPORTS**

WASHINGTON, April 4.—The war department announced today the sailing of the following transports:

Rotterdam, due at New York April 10, carrying headquarters and Companies C to F inclusive, 310th supply train, the majority of the men being scheduled for demobilization at Camp Custer; 228th machine gun battalion complete; 210th Sanitary train headquarters, ambulance section and field hospital; 240th ambulance company and field hospital and military police company all units being of the 85th (Michigan and Wisconsin) division.

Lancaster, due New York April 18, carrying units of 91st division.

Waubun, due at Baltimore April 19, with casualties.

**ANDREW CARNEGIE'S
DAUGHTER WILL WED**

NEW YORK, April 4.—Miss Margaret Carnegie, daughter of Andrew Carnegie and Ensign Roswell Miller, U. S. N. R., of this city obtained a marriage license today. The wedding will take place April 22.

Ensign Miller formerly of Chicago is the son of the late Roswell Miller, chairman of the Chicago, Milwaukee and St. Paul railway. He is 24 years old. Miss Carnegie is 22 and the only child of the former steel manufacturer.

TRANSPORT ARRIVES.

New York, April 4.—The steamer Wilhelmshafen from Bordeaux arrived off Sandy Hook tonight and will dock tomorrow with 1721 troops including 597 officers and men of the 40th division—former national guard of California, Nevada, Colorado, Arizona, Utah and New Mexico and 56 officers and 630 men sick and wounded together with casualties.

42nd Division Will Return To U. S. This Month

WASHINGTON, April 4.—Assignment of the complete 42nd (Rainbow) division to early convoy home was announced today by the war department.

The official announcement names specifically the following units of the 42nd: headquarters troops 149th, 150th and 151st machine gun battalions; 33rd infantry brigade headquarters, 165th and 166th infantry, 84th infantry brigade headquarters, 128th (probably error in transmission and should be 167th), 168th infantry, 67th field artillery brigade headquarters, 149th, 150th and 151st field artillery, 117th engineers and train, field signal battalion, train headquarters and military police, supply train, sanitary train and ammunition train. Only the hospital units are missing from the list.

At the same time the following additional units were announced as on the early convoy schedule; bakery companies numbers 388 and 393; evacuation hospital number 18; air service casualty company number 4.

There is serious doubt whether the Rainbow division can be paraded as a division in Washington or elsewhere, Secretary Baker said today because of the difficulty of landing all units at or near the same time.

All in Readiness

Coblenz, Thursday, April 3.—The 42nd division is all packed up and waiting the final order "all aboard for home."

The first train with Rainbow troops is scheduled to leave Ahrweiler Sunday morning. The personnel will consist of the division headquarters staff and several smaller units. Two trains will leave Sunday afternoon and four daily thereafter for six days.

Official cognizance has been taken by the third army of the increased spirit of enmity shown by civilians against Americans in the occupied area.

Regarding Bolshevism and the opinions of civilians in the occupied area Thursday's intelligence summary says:

The general idea is that Bolshevism will die of its own accord and satisfaction is expressed that it cannot make headway in the American zone. While recognizing that the inhabitants owe the quiet in the region to the American troops it is evident that the population has no really friendly spirit for our soldiers.

The third army has granted special permission to a number of congressmen to address such of their constituents as they find among the divisions in the occupied zone.

Among the congressmen who arrived in Coblenz today were C. W. Ramsayer, Iowa, and William R. Green, Iowa.

**SPARTACANS ORDER
GENERAL STRIKE**

COLOGNE, April 4.—Via London.—The general strike ordered by the Spartacists in the adjacent German districts has not been a complete success notably among the miners. Some of the mines in the Dortmund, Batrop and Esent districts are still working.

**VETERAN ALDERMAN
GETTING TIRED OF JOB**

CHICAGO, April 4.—Edward P. Cullerton, re-elected alderman from the Eleventh ward on Tuesday and who has served almost continuously since 1871 received congratulations dubiously when he appeared at the city hall today.

"I've wasted my whole life as an alderman," the oldest member of the council said, "and if I had it to live over again I would never run for office. I'm sick of the council's way of doing business, or rather its lack of doing business. Its about time Chicago was given the things it needs."

**WILL SEND U. S.
CATTLE TO FRANCE**

WASHINGTON, April 4.—American dairy cattle are to be sent to devastated districts of France where they will do their "bit" toward restoring the health of the children of those regions. More than 100 head of pure bred cattle, recently purchased by the French high commission and selected from the best herds by experts of the United States department of agriculture, shortly will leave New York for Havre on especially equipped transport. There is said to be an urgent demand for milk from the war stricken areas.

SIMS SAILS FOR U. S.

New York, April 4.—The British transport Mauretania bringing home Admiral Sims and his staff sailed from Brest April 1 for New York and should arrive Sunday or Monday next, according to a cablegram received here today by the British ministry of shipping.

**CONDITION OF QUEEN
VICTORIA BETTER.**

Madrid, April 4.—The condition of Queen Victoria who underwent a slight operation yesterday is satisfactory, according to an announcement.

REVISED STEEL PRICES MAY BE RECONSIDERED

If Sufficient Reason for Doing So Is Shown

WASHINGTON, April 4.—Revised steel prices arranged by the industrial board of the department of commerce in conference with the producers will be reconsidered if the board is shown "good and sufficient reason for doing so."

Chairman Peek today issued the following statement, the latest development in the controversy arising from the refusal of the railroad administration to accept the prices, on the ground that they were too high.

"I have never said nor intimated that the industrial board would 'stand pat on the prices formulated with the steel industry, no matter what objections were brought by other departments. Shown good and sufficient reason for doing so the board will reconsider. With wisdom it could pursue no other course."

Conferences which were to have started today between the board and representatives of Director General Hines were delayed because of absence from Washington of one of railroad administration's representatives but it is considered certain that discussions will begin next week in an effort to reach an agreement.

The entire policy of the board also is to undergo reconsideration the principle question being whether prices shall continue to be announced as a basis for public purchases or only as the basis on which the government will do its buying. A number of officials object to the former course as bordering on illegal price fixing.

Acceptance of the uniform prices was put squarely up to the navy department today when bids were opened for 20,000 tons of structural steel. In compliance with the law, competitive bids were asked, but when they were opened, all were found to be based on the prices announced by the industrial board. Department officials declared the principle of uniform prices has neither been accepted nor rejected. The shipping board reiterated its acceptance of the new steel prices as a basis for future contracts but it was pointed out that yards have bought steel for many months ahead and that few new contracts were being let. Opinion was expressed, however, that the new and lower prices would stimulate shipbuilding.

Statements attributed to members of the Southern Pine Association that they had declined a proposal of the industrial board to enter into a price agreement were answered by Chairman Peek who said representatives of industry "have never been invited to enter into a price agreement but have been invited to cooperate with the industrial board in an effort to stabilize prices by getting industry voluntarily to furnish Germany 150,000 tons of grain during April. However, German estimates that the German grain and potato stocks will be exhausted before June are correct, Mr. Hoover expresses the belief that it is questionable whether food enough can be supplied to tide Germany over until the next harvest."

**WILL BASE PRICES
ON NEW SCHEDULE**

WASHINGTON, April 4.—Steel prices in the future shipbuilding contracts to be let by the emergency fleet corporation will be based on the new schedule of prices agreed upon between the industrial board of the department of commerce and the steel manufacturers. D. H. Cox, head of the steel ship section of the corporation today announced the acceptance of the prices. "The reduction in the cost of steel," said the announcement, "is regarded by the shipping board as a step in the right direction and calculated to encourage the shipbuilding industry of the nation."

**RISK BUREAU MAILS
CHECKS FOR MARCH**

WASHINGTON, April 4.—The war risk bureau now is issuing checks for allotments, allowances, insurance and compensation in the same months that they fall due. Announcement was made today that 1,053,566 checks were mailed in March, representing a total of \$39,148,323.05. Since the bureau's establishment nearly \$419,000,000 has been paid out.

Mechanical devices by which 20 checks are signed with an actual pen signature at one time have been installed to assist in handling the enormous volume of business transacted by the bureau.

SPEAKS AGAINST LEAGUE.

Pittsburgh, Kansas, April 4.—"League of Nations create national jealousies that lead to war," Congressman P. P. Campbell, chairman of the new rules committee of the national house declared in an address this afternoon. A league in a city or town, county or state or nation with the duty of adjusting differences that might arise between men or political subdivisions of people would provoke rather than prevent riot or war," he said.

Declares Troops In Siberia Must Be Re-inforced

PARIS, April 4.—The situation in the Archangel region in northern Russia has been forcibly brought to the attention of the peace conference by the British statement that the troops in the Murmansk and Archangel districts were in danger of extermination unless they were speedily reinforced. Brigadier General W. P. Richardson, U. S. A., is on his way to take command of the American forces in Northern Russia.

There is apparently no change, however, in the avowed intention to take the American troops out of the region at the earliest possible date.

General Tasker H. Bliss and other American representatives here are inclined to believe that the troops at distant outposts can retreat, if necessary before an advance by the Bolsheviks, as armored trains are available for all the Americans in the region south of Archangel and Murmansk.

Relief of Archangel from the sea probably will not be possible before the end of May because of the ice but the forces in the city are well equipped with artillery and ammunition.

The feeling in American circles here is that the British statement possibly over emphasizes the gravity of the situation.

**SEN. JOHNSON URGES
AMERICA TO AWAKEN**

WASHINGTON, April 4.—Urging that Americans awaken to the problems confronting the country, Senator Johnson of California in a statement here tonight declared: "We've been affected with mental farsightedness since the signing of the armistice and unable to see and care for the ills and problems of our own."

"Our demobilized ask only justice and work and get neither," declared his statement.

"We are under the spell of a world hypnotism. Our commuting government hovers around European capitals basking in the sunlight of foreign adulation. The president is in Paris, the secretary of state there, the secretary of the navy in Italy and secretary of war on his way to Europe, the heads of various administrative departments are scattered east and west and north and south in Europe—there's nobody home in America."

"It has become a reproach in many foreigners to think in terms of America for America first. It's time to cry a halt."

**FOOD SITUATION IN
GERMANY UNSOLVED**

PARIS, April 4.—(By The A. P.)—The food difficulties in Germany were by no means solved by the signing of the food agreement. Tonnage is unavailable to move the required supplies and the available grain stocks are so short that it probably will be impossible to furnish the full amount specified for some time.

Herbert Hoover, director general of the inter-allied relief organization estimates that he can furnish Germany 150,000 tons of grain during April. However, German estimates that the German grain and potato stocks will be exhausted before June are correct, Mr. Hoover expresses the belief that it is questionable whether food enough can be supplied to tide Germany over until the next harvest.

**PROTEST AGAINST
ACTION OF HINES**

CHICAGO, April 4.—The Illinois Manufacturers' Association today sent a telegram to President Wilson protesting that the director general of railroads, Walker D. Hines, has refused to make purchases of supplies and material necessary to the proper maintenance of the roads and for the public safety.

"The elements which enter in prices today are fundamental and should be maintained, including the present standard of wages," said the message.

PROTEST FROM GREECE

London, April 4.—The Metropolitan of Athens has sent to America a strong protest against what is considered to be a hostile attitude on the part of American missionaries in respect to the rights of Greece in northern Epirus and Asia Minor, says an Athens dispatch to the Exchange Telegraph Co.

WEATHER

Illinois—Partly cloudy and warmer Saturday, probably followed by showers at night or on Sunday, cooler Sunday.

Temperatures.

The current, maximum and minimum temperatures as recorded Friday were:

Jacksonville, Ill., 55 64 36
Boston 42 50 44
Buffalo 40 50 36
New York 54 60 44
New Orleans 68 68 58
Chicago 52 52 45
Omaha 50 52 42
Detroit 64 64 42
Minneapolis 54 54 36
Helena 46 54 44
San Francisco 58 62 50
Winnipeg 54 56 26
Jacksonville, Fla., 72 74 58

GIVEN SERVICE CROSS.

Des Moines, April 4.—Private Liberty Peace of Farragut, Ia., was presented with the distinguished service cross at Camp Dodge today, awarded for bravery in action overseas with the 168th infantry, Rainbow division.

MORE INTEREST IN FUTURE TAX THE PAST.

Someone has said there isn't much interest now in the effort to prove the great war was prophesied correctly several years before it really began. The war, with all its horrors and misery, its loss of men and money, is a matter of history. What concerns people now is the future. Any man who can prophesy with any show of certainty what the next few years hold for the country at large is certain to have a respectful hearing from a very large audience.

EAST ST. LOUIS WILL IMPROVE.

A petition was recently presented to the state senate asking that St. Clair county be separated from the rest of the state because of the riot scenes enacted in East St. Louis in July, 1917. There would be some real reason for this suggested action—radicalism it is—if the St. Clair county people had not already shown signs of repentance. Evidence along this line was given when the former city officers of East St. Louis were defeated and a

Of Course a Photograph

MOLLENBROK & McCULLOUGH
234½ West State St.
Illinois Phone 508

new regime came into power. All that East St. Louis needs is a continued period of law enforcement and that is what is promised by the present administration.

HOW THIS LOAN DIFFERS.

Since the announcement by Carter Glass, secretary of the treasury, that the Victory Liberty Loan issue would consist of Victory Notes instead of Liberty Bonds, the question has been asked, "What is the difference between the bonds and the notes?"

The answer is simple: There is virtually no difference. A Liberty Bond is the government's long-term promise to pay. The Victory note is the government's short-term promise to pay in other words, where a bond may not mature for a period of ten or more years, the note must mature within a period of five years at the most.

The security in both cases is the same—the entire resources of the United States back them both. As to the terms of the forthcoming Victory Liberty Loan, no comparison may be made with the Liberty Bond issues because the announcement as to terms will not be made, according to Secretary Glass, until a few days before the campaign begins.

The notes are more advantageous than the bonds, as can be seen by even the veriest tyro in finance, owing to the fact that their shorter term of maturity has a tendency to stabilize their prices because purchasers are more apt to hold them.

HONORS FOR GENERAL WOOD

Major General Leonard Wood has been awarded a distinguished service medal by the war department. His name being included with Major General Scott and others. This mark of honor for the distinguished general, while richly merited, will not satisfy his friends and admirers who still believe that he was shelved by the war department because of petty political jealousies; that he was robbed of his due in being denied overseas service and that the army was deprived of a leadership which would have been most helpful.

MORE PARKING SPACE

A hitch lot has been established by a Jacksonville firm for the benefit of farmers hereabout. It will supply a need which has long been felt but not so acutely as in some by gone years. It does bring to attention the still greater need of additional parking space for automobiles. Mention has been made from time to time in past months of that need. If Jacksonville is to extend the proper conveniences to auto visitors from all its trade area. That is one of the problems that the incoming city council must solve, and its early and satisfactory solution is of real importance to the business interests of Jacksonville.

"NOBODY HOME."

"There is nobody home in America," is the way Senator Johnson of California recently summed up his statement about the growing indifference of American leaders to the interests of their country. The senator evidently does not approve of a situation which takes the president of the U. S.,

the secretary of state, the secretary of the navy, the secretary of war and some other officials high in the government service, to Europe. He believes that there is something "catching" about the world interest that these men are showing while they seemingly give half-hearted attention to the pressing problems at home.

THE POSSIBILITIES ARE BOUNDLESS.

A Morgan county community council was organized last night in conformity with plans made at earlier conference. The purpose of the organization is of the name indicates, and will include representatives of all the varied interests of the county. The community council hopes to become a sort of clearing house for projects helpful to community life. The council hopes to keep alive the fine spirit that the war time activities developed.

Those fostering the council idea believe that the co-operative spirit that was evident during recent months was not really war born, that it existed in the hearts of the people all along and that the war times simply gave the feeling prominence and brought it into fine expression.

The benefits of that co-operative enthusiasm were so manifest that it is no wonder that men and women are seeking an organization to preserve and further develop it. The possibilities which await community councils are boundless. If the unselfish spirit—the willingness to make personal sacrifice for the common good—still predominate the minds and hearts of the people. The community council task is well worth trying.

OUR BOYS NEED READING MATTER OVER THERE.

Magazines can still be sent to American soldiers overseas for one cent postage. And they are needed badly.

General Pershing has cabled an urgent request that more magazines be sent to the American troops on duty in France and the other countries of Europe. This plea comes as a result of the great reduction in the number of magazines that have been sent lately. The supply has dropped from ten to two tons a month. And, General Pershing cables, the boys need interesting reading matter more than ever before.

The difficulty has arisen from the fact that a number of magazines inadvertently dropped the line announcing that publications would be carried overseas under a one cent stamp. That ruling is still in force and magazines are being asked to print it again in the upper right hand corner of their first page.

In order that the shortage may be quickly overcome individuals are asked to double and triple the number of magazines they previously sent.

Rippling Rhymes By Walt Mason

Fix Up.
The long war made us sick and faint, we had no heart to hump; and so, alas, we did not paint the cowshed and the pump; we read long tales of bones and woe, and let our chores to thunder go, and now our houses look as though they should be at the dump. We had no heart to trim the trees, or beat dead cats away, when mighty legions, o'er the seas, engaged in bloody fray; and while those legions thundered on, the tin cans gathered on the lawn, with broken dish and demijohn, and heaps of leaves and hay. While still upon the kaiser's brow the tyrant's crown was seen, we had no heart to groom the cow, or plant the potato bean; we had no heart to decorate the lawn swing and the garden gate, we merely stood and railed at fate, and cursed the submarine. Now in a castle queer and quaint the mildewed kaiser sits; and we should buy some

rich red paint, and throw some chalk up fits; for kalsomine of gaudy hue, to make the shack look good as new, for clover seed and blue grass, too, we ought to blow six bits. We've talked of war a weary while, of admirals and kings; now let's put on our peace time smile, and think of other things; let's fix the roof before there's rain, replace the broken window pane; a lot of duties in its train this smiling season brings.

Wanted—Six or eight intelligent girls—either race—experience unnecessary. Barr's Laundry.

MRS. OSBORNE DIED EARLY THIS MORNING

Passed Away Suddenly at Home 436 South East Street.

Mrs. Mattie Acom Osborne, wife of C. A. Osborne, died suddenly at the family home, 436 South East street at 1 o'clock this (Saturday) morning.

Deceased had been a resident of this city for many years. Besides her husband she leaves one daughter, Miss Della Osborne.

Further particulars and the time of the funeral will be given later.

WAVERLY SECURES

The farmers in the vicinity of Waverly, who produce cream, are fortunate in securing a local market for their butterfat. Robert Whitlock has been appointed branch manager for the Jacksonville Creamery Co., and is fully equipped to handle cream in any quantity, paying the highest cash price.

Mr. Whitlock is an experienced cream buyer, and may be relied upon to give efficient service to his patrons.

FINAL EXAMINATIONS HELD IN SCHOOLS

Young People at Fourteen Schools In Competitive Tests.

The regular final examinations were held in fourteen schools of Morgan county yesterday, the regular day for the examinations. Pupils who have passed the central examination are the only ones eligible to the final examination, and in order to pass the latter test they must average 75 per cent, with a minimum of 65 per cent.

A total of 225 pupils took the six of whom were in South Jacksonville. Below is listed the schools where final examinations were held, together with the names of the teachers:

Appalona—Ruth Irving.
Providence—Meta W. Darley.
Alexander—Margaret Duffner.
Yatesville—Elizabeth Connolly.

Little Hope—Bertha Whitlock.
Pleasant Grove—Grace Jennings.

Sinclair—Mildred M. George.
Woodson—Edith Nicol.
Litterberry—Ruth Mellor.
Lynnville—Dale Beauchamp.
Concord—Barbara S. Hart.
Bethel—Eva N. Gray.
Lake View—Carrie Bruening.
South Jacksonville—Burley Jones.

At the last mentioned school these pupils of the school took the examination, Jean LaRue, Florence Godfrey and Altha Lumley. The other schools represented were:

The Narrows—Miss Esther Meyer, teacher.
Pupils—Lyford Reynolds, Ernest Lair, Delos Craig, Mound—Miss Pearl Dohrs, teacher.

Pupils—Ethel Stewart, John Stewart, Anna Bernice Rice, Shoff Wolcott.

Trinidad—Mr. Ausmus, teacher.

Pupils—Nelson DeFrate, Oliver Nunes, Wm. Menozes, Emily Menozes.

Walnut Grove—Miss Margaret Rife, teacher.

Pupils—Ruel Challiner, Morton, Miss Frances Kennedy, teacher.

Pupils—Earl Smith, Verniel Perkins, Irene Waiman, Floyd Waiman, Alonzo Hughes.

Routt—Miss Katherine O'Mears, teacher.

Pupils—Amy Harney, Hickory Grove—Miss Emma Smith, teacher.

Pupil—Lucile Brown.

Prairie Union—Mr. Ira Faunting, teacher.

Pupils—Clifford DeOrnellas, James Halligan.

Point—Misses Mabel Hanning, teacher.

Pupils—Louis Middleton, Elvira Richardson, Ivorine Coulas, Juanita Coulas, Verne Headon, Willard Owings.

REDOCKETED IN CIRCUIT COURT

Yesterday C. W. Boston, circuit clerk, received from the clerk of the supreme court orders for redocketing the suit of John Frank vs. J. A. Moss, E. J. Blackburn and H. E. Ogle as commissioners of Nauvasterre Creek, Drainage District. This is an ex rel proceeding brought by Worthington Reeve & Greene as attorneys for Mr. Frank. It was the claim of the defendants that the local court did not have jurisdiction. The finding of the supreme court remands the case for trial here.

YOUTHFUL PIANIST HEARD IN RECITAL

Frank Collins, Jr., at Recital Hall Conservatory of Music—Assisted by Miss Audry Hall, Violinist.

A piano recital was given by Mr. Frank Collins, Jr., Friday evening in Recital Hall, in which Miss Audry Hall assisted with six violin numbers. The sixteen-year old pianist showed remarkable ability. All selections required decided technique, which Mr. Collins executed with facility and depth of feeling. His gift of bringing out melody was particularly well demonstrated in the Godard Venetienne and the MacDowell Barcarole while his control of octaves was evident in the brilliant Intermezzo by Leschetizky. Mr. Collins is a resident of Virginia, Ill., and has been a student of Mr. Munger for the past three years.

Miss Audry Hall, who is barely thirteen, aroused great enthusiasm by the remarkable maturity of her playing, not only in sureness of technique but also in quality and expressiveness of tone. It is difficult to say which of the two strongly contrasted pieces, the Romance by Svendsen or the dramatic Hungarian piece by Keler Bela, gave the better proof of her violinistic talent. Both were well within her powers. Mr. Kitch played a sympathetic accompaniment.

The last number, the Variations in E flat minor by Sinding, for two pianos, was played by Mr. Munger and his talented student performing it with all its characteristic scope and strength.

The audience which filled the hall, expressed its pleasure by vigorous applause. As an encore after his second group, Mr. Collins played the D minor Gavotte by D'Albert. The program was as follows:

La Chavalerie, op. 42, Godard.
The Spirit of the Woods (fantasy),.....Primi.
Venetienne (Barcarole in F Sharp minor),.....Godard.
Cracovienne Fantastique, op. 14.....Paderewski.
Frank Collins, Jr.

Romance.....Svendsen.
Humoresque.....Tor Aulin.
Serenade.....D'Ambrosio.
Orientale.....Cesar Cui.
By the Brook.....Boisdeffre.
Son of the Puszt.....Keler Bela.
Audry Hall.

Valse Parisienne, op. 84.
Caprice No. 2 in E major op. 28.....Schuett.
The Fairy-King's Ball (from the Fairy Tales).....Kargnoll.
Barcarole, op. 18.....MacDowell.
Intermezzo in Octaves, op. 44.....Leschetizky.

Frank Collins, Jr.
Variations for two pianos, op. 2.....Sinding.
Frank Collins, Jr. Mr. Munger.
Accompanist: Mr. Kitch.

BANK CHANGE MADE AT WINCHESTER

C. B. Hubbard Disposes of Interests in Frost and Hubbard Bank—Easter Concert Planned—News Notes.

Winchester, April 4.—Word has been received that Sergt Ernest Glossop has arrived safely from overseas service and is now at Hoboken, N. J.

Rev. John H. Cochran of Chicago will preach at the Presbyterian church Sunday morning at 10 o'clock.

The banking firm of Frost & Hubbard, which was established in 1887, has undergone a change in its organization. C. B. Hubbard who has been connected with the bank since its organization, and has always been accounted a careful and conservative business man, has disposed of his interest and retired. The firm will be conducted by R. W. Frost, J. W. Frost, E. J. Frost, W. D. Gibbs, Albert Hainsfurth, W. M. Gish, G. W. Bowman and H. H. Fletcher.

T. J. Priest received a message early Friday morning stating that the condition of Mrs. Priest, who is in Barnes hospital in St. Louis, is very grave. Mr. Priest was taken to Manchester by his brother, John Priest, and left on the early train for St. Louis. Miss Margaret Priest and brothers, Paul and Jean, accompanied by their aunt, Mrs. Robert Evans, left on the afternoon train for St. Louis.

A literary program was given at the high school Friday evening. A large audience was present. Following an excellent program a short play was given, the whole entertainment being one of great merit.

A number of musicians of the city will give a sacred concert on the evening of Easter Sunday. The first rehearsal was held Thursday evening.

DINNER GIVEN SCHOOL.

The Williams school, two miles west of Merritt was the scene of a pleasant gathering Friday. The affair was in the nature of a picnic dinner given on the occasion of the closing of the school. Mrs. Bessie Southwell is the teacher and has had a most successful year. About fifty of the parents and friends of the pupils were present and an elegant dinner was enjoyed. Rev. F. A. Read of this city was a guest of the school and said the occasion was one of great pleasure to all.

Mrs. Fred McLaughlin of Scott county and her son, Charles, home were visitors in Jacksonville yesterday. Home who was recently released from the army service, has just returned from a visit in Detroit. He is expecting to leave in the course of a week for California, where he had employment at the time he entered the army service.

SPECIAL LOW PRICES IN ALL DEPARTMENTS TODAY AT HERMAN'S.

MR. ALBERT GUEST AT ROTARY DINNER

Ex-President of National Organization Voiced Rotary Ideals—First Anniversary of Local Club.

Members of the Rotary club, accompanied by ladies, attended a 6 o'clock dinner Friday at Peacock Inn. The occasion was the first anniversary of the Rotary organization in Jacksonville and also served as an opportunity for the members to meet and hear Mr. Allen D. Albert, one of the founders of Rotary and an ex-president of the national organization.

Mr. Albert was presented in an appropriate way by President H. M. Capps. The guest of honor has made a specialty of the study of community problems, a line of work that he undertook after filling a prominent place in the newspaper life of Minneapolis, Minn.

The Social Conscience.

Mr. Albert said that the development of the social conscience brought the Rotary organization into existence. That was just about fifteen years ago and today there are 400 Rotary clubs in the U. S., one in Paris, a number that are now seeking recognition in Belgium, Poland, Norway, Sweden and other countries. There is a well ordered Rotary club at Shanghai and another in Manila. At a national convention a few years ago 1,100 Rotarians assembled and this year there will be twenty district conferences, at each of which the attendance will be nearly equal to that of the national convention mentioned.

The speaker then went on to define in a suggestive way the meaning of the Rotary motto, "He Profits Most Who Serves Best." He said that in his own experience that he had found that every person responds to the good impressions of life if given the chance. While Rotarians are chosen on the basis of the business or profession in which they are engaged, the organization by no means teaches that success is measured in money nor that business means merely the grabbing of dollars.

Business Ideals.

Business, in their view, should be honored for its own sake and for what it makes possible. They believe that the right ideals in business lead to the right ideals in civic and municipal life. So while Rotarians seek in their business relations to be mutually helpful the ultimate purpose of Rotary organization is far beyond the bounds of business and it seeks to bring to pass an elevating, helpful brotherhood which does not limit its opportunity for useful service.

Those who catch the real spirit of the Rotary motto, "He Profits Most Who Serves Best," find in this world the beauty and satisfaction of service and come to know that it is by no means "all of life to live," and that the true measure of success and accomplishment is the good that one may do.

Social Events

Mr. and Mrs. Anders entertained friends.

Mr. and Mrs. Howard Anders of South Jacksonville entertained a number of friends Thursday evening the occasion being Mr. Anders birthday. The evening was spent in a social way and refreshments were served. The guests present were: Mr. and Mrs. Walter Smith, Mr. and Mrs. Morris Peckham, Mr. and Mrs. Moses Parry, Mr. and Mrs. Roy Anders, Mr. and Mrs. Clarence Large, Mr. and Mrs. G. Large, Mr. and Mrs. Walter Helendahl, Mr. and Mrs. Harry Stoker, Mr. and Mrs. W. C. Wisop and Perry McCann.

Gave Social Tea
For Mrs. Elliott.

A tea was given by the members of the missionary society of Congregational church in the Sunday school room at the church Friday afternoon in honor of Mrs. Frank Elliott of Evansville. The hours were from 3 to 5 o'clock and many ladies of the church took the opportunity to meet Mrs. Elliott. During the afternoon Mrs. Elliott gave an informal talk which was greatly enjoyed.

C. M. B. M. Held Regular Meeting Friday Afternoon.

The regular monthly meeting of the C. M. B. M. auxiliary of Central Christian church was held in the church parlors Friday afternoon. Twenty-five members and three visitors were present. In the absence of the leader, Mrs. C. B. Graff, Mrs. W. T. Clarkson presided.

The meeting opened with song No. 96. Mrs. Pontius offered prayer and then followed song No. 96. This was followed with Bible quotations by the members and Bible study by Miss Fannie Grassy and Song No. 255.

Circle of prayer by Mrs. W. O. Waite, Mrs. W. T. Clarkson and Mrs. George Harney.

Leaders and places for holding the pre Easter week prayer service were selected as follows:

Monday—Mrs. Lizzie Litter's residence; Mrs. W. T. Clarkson, leader.

Tuesday—Mrs. C. W. Moore; Mrs. W. O. Waite, leader.

Wednesday—Mrs. Pontius; Miss Eleanor Thompson, leader.

Thursday—Miss Eleanor Thompson, Illinois Woman's college; Mrs. Lizzie Litter, leader.

Friday—Mrs. Charles Patton; Mrs. George Harney, leader.

Sunday—Old People's Home—Mrs. M. L. Pontius, leader.

Workers conference was announced for April 9, at the church when reports will be made by the various societies of the county. A free dinner will be served by the Circle girls.

The president appointed the following nominating committee: Mrs. M. L. Pontius, Mrs. C. L. Hayden and Mrs. Edna Crum.

Two new names were added to the roll: Mrs. Elizabeth Sargent and Mrs. Frances McKean.

Thirty-eight subscriptions were reported for the World Call and several additional subscriptions taken.

Song—No. 211.

Paper—Girls and Education in China, Mrs. George Harney.

Paper—Facts for Busy Women by Busy Women, Mrs. J. W. Sperry and Mrs. Lucille Crawford.

Paper—Women in Business and Professional Life in India, Mrs.

MADE BY SCIENCE TO WEAR WELL

"It looks as if the shoes with Neolin Soles I am using would last another six months. I have worn them two years," says Clarence J. Bloeker, of St. Louis, Missouri.

This is extraordinary wear even for Neolin Soles. But because they are made by Science to be especially tough and durable, all Neolin Soles wear long time. And shoes soled with them are a real economy.

Buy Neolin-soled shoes for yourself and for the whole family. You can get them in many styles—at prices that are no higher than on shoes that give only ordinary wear. Have your old shoes re-bottomed with Neolin Soles.

These soles are noted for their comfort and waterproofness, also. They are made by the Goodyear Tire & Rubber Co., Akron, Ohio, who make Wingfoot Heels—guaranteed to outwear 6 other heels.

Supper for Returned Soldiers.

The supper and reception tendered returned soldiers and their lady friends at State Street church last evening was a truly enjoyable and fine affair. The young men in khaki received a right royal welcome and the whole affair was free from reserve or stiffness while the best of feeling prevailed. The bill of fare was superb and fully enjoyed by all the guests who were hearty in their expressions of appreciation.

Mrs. William Floreth was at the head and each ladies' aid society in the city contributed to the menu and all did their part admirably and there was no lack of anything good.

With the Sick

Mrs. Edith Shuff Richardson of the Point neighborhood, who has been a patient at the Passavant hospital for the past ten days does not seem to improve as rapidly as had been hoped for.

your delight, consisting of Cocoanut Roll, Filbert Opera Roll, French Fruit Nougat, Berry Kisses, Mexican Penuche Loaf, Cream Kisses in Raisin, Nut, Maple Nut and Cocoanut; full Cream Caramels in all the popular flavors; Salt Water Chewing Taffy, Nut Puffs, Brittles and Gums.

These are some of the popular pieces that we know will please you, at MERRIGAN'S.

Build Up the System After "Flu" Attack

Important That You Get Back Your Strength as Soon as Possible

Everyone who has had the "flu" finds the system in a weakened and run-down condition, the nervous system all upset, the appetite gone, and a general good for nothing feeling pervades the entire body.

This is the effect of this strenuous disease. It always leaves its victim so weak and debilitated that there is as much danger from its after-effects as from the disease itself. In other words, after an attack of the "flu" you need a

thorough tonic to rebuild the system so that you can have old-time strength and vigor stored.

Nothing can equal S. S. S. completely restoring your strength and vitality after you have this distressing disease.

Splendid remedy purifies blood, removing all disease germs, and builds up the entire system.

S. S. S. is sold by druggists everywhere. If you wish medical advice, simply write to Chief Medical Adviser, 255 Swift Laboratory, Atlanta, Ga., who will give such advice as you case may require without cost.

Phones 800

the very spirit of the Master at work among men." Held Business Session. The fine address was well received and heartily applauded. Mr. Pontius took the chair and referred to the meeting held last week in Grace church and called for the report of the committee appointed to nominate a temporary committee. The nominating committee were Dr. Josephine Milligan, chairman, Thomas Duffner and Dr. J. G. Ames.

The committee made its report in a thorough correct manner. They presented a lot of ballots with their suggested names and a blank space under each giving each voter an opportunity to scratch the name printed and write one in instead with the injunction that the name of a woman, if scratched, must be replaced with a woman's name.

It is especially desired that it be understood that the committee voted on its temporary and is to nominate a permanent committee with each precinct in the county represented and it is the intention to have each interest given a place in the management of the organization.

The guiding motive of the enterprise is to continue the co-operation so well learned during the great war and teach the people of the whole county to work in harmony for the common good.

Committee named
Dr. J. G. Ames, John Siebert and Thomas Duffner were made tellers and distributed the ballots. The names on them were as follows:

Mrs. A. L. Adams Jacksonville.
Mrs. W. W. Anderson, Chapin.
Mrs. W. A. Barrows, Waverly.
Mrs. H. M. Capps, Jacksonville.
Mrs. Herbert Capps, Jacksonville.

Mrs. John W. Clary Jacksonville.
Mr. E. E. Crabtree, Jacksonville.
Mrs. R. I. Dunlap, Jacksonville.
Mr. John E. Hall, Meredosa.
Rev. M. L. Pontius, Jacksonville.
Mr. John J. Reeve, Jacksonville.

A TEXAS WONDER

The Texas Wonder for kidney and bladder troubles, gravel, diabetes, weak and lame backs, rheumatism and irregularities of the kidneys and bladder in both men and women. Regulates bladder troubles in children. If not sold by your druggist, will be sent by mail on receipt of \$1.25. One small bottle is two months' treatment and often cures. Send for sworn testimonials. Dr. E. W. Hall, 2226 Olive Street, St. Louis, Mo. Sold by druggists.—Adv.

Mrs. W. T. Scott, Jacksonville.
R. F. D.
Father A. Smith, Franklin.
Judge O. P. Thompson, Jacksonville.

Mrs. George R. Vasey Markham.
Dr. H. C. Woltman, Jacksonville.

There was a few scattering votes and 113 straight ballots for the names suggested by the nominating committee.

While the ballots were being examined Mr. Pontius said our people were not a nation of hero worshippers but believe in paying honor to whom honor was due and he asked all those in the audience who had served in the late war as soldier or war worker to arise and then the audience was asked to rise and show them due honor which was done.

He also expressed the hearty appreciation of the audience of the fine address of the evening.

CONCORD.

Rev. and Mrs. Simmons called on Mr. and Mrs. Elmer Plank Monday.

Mrs. Edgar Cooper was a Jacksonville caller Wednesday.

Everything in furnishing goods at Knoles'.

In the advertisement of the Economy Groceries appearing in Friday's Journal the price of the "small sacks" of flour was in error given as \$1.15. It should have read \$1.15.

DID HIS BIT.

New York, April 4.—Private Pennington a rangy rancher from Altus, Okla., of Company K, 357th infantry regiment today came home in the Cruiser Frederick wearing the D. S. C. "What did you get that for?" he was asked.

"I dunno," replied the soldier. "Didn't you do something?"

"Did my duty," was the rejoinder. "Anything special?"

"None."

"Didn't you capture any machine guns, rescue any wounded men, or—"

"Oh, yes; rescued four officers."

CONGRESSIONAL PARTY GOING TO FRANCE.

Washington, April 4.—At the request of the delegation of members of the house committee on military affairs who sail for France Monday on an inspection tour, the war department has assigned Lieut. Col. Thomas Hammond of the general staff to accompany the congressional party throughout its tour of the battle front. The committeemen will travel to France with Secretary Baker on the Transport Leviathan.

DEVEREUX PLAYERS SCORE BIG SUCCESS

Presentation of "The Great Galeoto," Was Received With Marked Approval by Audience—Plays of Lighter Vein to Be Given Today.

If the expressions of approval which greeted the Devereux players at Illinois Woman's college Friday night is any criterion then the company's initial performance was an unqualified success.

The audience that gathered in the gymnasium was one of discrimination and also one composed of men and women who have studied the drama from a serious viewpoint. It therefore was a compliment to the art of the players that one moment the wildest applause prevailed while the next moment the audience was held spellbound by the tenseness of the scene.

Echagary's "The Great Galeoto," was the offering Friday evening. This drama is regarded as the highest type of the Spanish drama of the present day. It is founded on the fifth Canto of Dante's Inferno and is deeply tragic.

Especially commendable was the portrayal of Mr. Sanford. He evidently is an actor of wide experience and his work was delicately shaded and his reading all that could be desired.

He was given excellent support by Mr. Ford and Mr. Mandeville, Miss Marian McCrea and Miss Eleanor Flowers. Mr. Rickert in a juvenile role if such it could be called in a play of this nature had the only humorous lines on the tragic pages of the performance. His conception left nothing to be desired. The minor roles were played with intelligence and rounded out a well balanced performance.

The offerings of the Devereux players for this afternoon and this evening will be of a lighter nature. For the afternoon three one act plays will be given. They are from widely divergent schools, embracing the Russian and Scandinavian.

The plays are "The Bear," by Tchekoff, a story of Russian peasant life; "Indian Summer," by Meliace-Haldberg and "The Stronger," by Strindberg. The last named is a peculiar story in that it has only two characters and one of the characters does not speak a line.

At the evening performance the play will be "Love and Geography," a charming comedy which serves to show the versatility of the company. The offering of this play is to complete an historical sequence of five plays which show the development of modern drama.

It is not the purpose of those promoting the plays in Jacksonville to make money from the venture. Rather it is to give those who study and appreciate good drama an opportunity of enjoying the same. It is an effort worthy of emulation thruout the whole world of trying to preserve and perpetuate what is best in dramatic work.

FIRE DRILLS AT SCHOOL FOR DEAF.

H. T. White, managing officer of the State School for the Deaf, has arranged for a series of fire drills at the school. Announcement is made at this time especially so those residents near the school will know what is in progress. The signal for drill is a series of five whistles. The first four drills will be given at the following dates and hours: Monday, April 7, at 10:30 a. m.; Monday, April 14, at 11 a. m.; Monday, April 21 at night; Saturday, April 26, at 7:15 p. m. Other drills will be given without announcement of the time of each.

Not all people know that deaf pupils while they may not hear the whistle at the institution boiler house, can nevertheless for the jar that it creates, so that the whistle serves as an adequate signal for them.

Waverly Newspaper MAN VISITS HERE.

Wilson Smith, editor of the Waverly Journal, who returned a few weeks since from overseas service in the Y. M. C. A., was a visitor in Jacksonville yesterday.

Mr. Smith was at Camp Sherman, Ohio, for six months before he was sent overseas. He arrived there in October and was at work in the territory not very far from the front lines.

After the signing of the armistice he was stationed for some time in Paris, doing publicity work for the Y. Mr. Wilson's newspaper experience fitted him for that work.

Mrs. Smith, who was in a hospital in Peoria when he returned and is just now beginning to regain her strength.

FARM SOLD AT GOOD FIGURE

George Klick has recently sold to Frank Foster, 135 acres of land in Alexander precinct at \$275 per acre. This is part of the Strawn land that Mr. Klick purchased from Gates Strawn as executor. It fronts on the Springfield road and adjoins the Foster farm on the east.

Funerals

Parker

Funeral services in memory of Thomas Parker, well known colored resident of the city, were held at Bethel A. M. E. church Friday afternoon at 2:30 o'clock. The church was filled with the friends of the deceased. The services were in charge of Rev. J. H. Fisher, pastor of the church assisted by Rev. H. H. DeWitt and Rev. J. W. Muse. The choir of the church sang several hymns and by request Mrs. Willis Allen sang as a solo "Some Sweet Day." The minister referred to the exemplary life of the deceased had lived, for he had been a resident of the community for 51 years and had so conducted himself that he had the respect of his fellow citizens.

Altho years ago Mr. Parker was a member of Mt. Emory Baptist church, he more recently came into membership of Bethel church and the minister told of recent conversations how well prepared he was for the final hour of life. Mr. Fisher said that since death comes to the homes of rich and poor, to people in all stations of life, that it behooves men and women to always be in readiness. He urged his hearers to follow in the paths of right living, to keep up their church connections and to pattern after the deceased in industry and in the frugal way in which he provided for his family.

There were many beautiful flowers and they were in charge of Mrs. Jackson, Mrs. Tate, Mrs. Douglas and Mrs. Wright. Interment was in Jacksonville cemetery at the bearers were Charles Jackson, Charles Sharp, John Yates, Edward Wright, William Jones and Albert Moore.

HITCH LOT HAS BEEN OPENED.

The Jacksonville Creamery Co., has fitted up a lot west of its plant as a hitch yard for farmers. There is a considerable space there and hitching racks have been placed thru the central portion, so space is available on each side. The city been without a public hitch lot for several years past and the addition to the Creamery Co., property will prove of general advantage. The need for a hitch lot is not as great as was true before the use of automobiles was so common, but nevertheless there are still many farmers who use horse drawn vehicles altogether and still others who find it desirable to use them a part of the time.

PREPARING FOR TRANS-ATLANTIC FLIGHT

WASHINGTON, April 4.—Besides the destroyers which will patrol the course to be mapped for the naval seaplanes in their proposed flight across the Atlantic Ocean in May, a fuel ship will be stationed somewhere along the route.

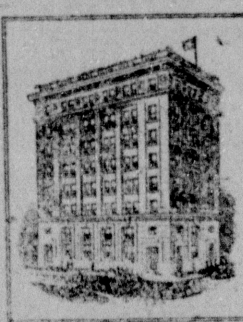

Some officers believe that the machines will be able to carry

sufficient fuel for a non-stop flight but adverse winds or bad weather might so reduce the speed of the craft that they would be forced to replenish their supply of gasoline.

Results of experiments conducted as a preliminary to the flight and details of the flight itself are being carefully guarded by navy officials as a number of private concerns are preparing for trips

across the Atlantic and naval officials also believe it would be unwise to disclose plans which it may not be possible to carry out.

St. Louis, April 4.—Thousands of trees are being planted in St. Louis and throughout Missouri today in commemoration of soldiers, sailors and marines killed in the world war.

Our new directory will be out about May the first, and if you are contemplating having an Illinois Telephone placed soon in your place of business or residence, by placing your order now your name will appear in this directory. Call Illinois Telephone 500.

Mr. and Mrs. Jacob Frank of Poplar Bluff, Mo., have returned to their home after several days visit with their son, Dr. W. L. Frank.

DRIVE AWAY HEADACHE

Rub Musterole on Forehead and Temples

A headache remedy without the dangers of "headache medicine." Relieves headache and that miserable feeling from colds or congestion. And it acts at once! Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister. Used only externally, and in no way can it affect stomach and heart, as some internal medicines do.

Excellent for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, all pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bite, colds of the chest (it often prevents pneumonia). 30c and 60c jars; hospital size \$2.50.

**MANCHESTER LODGE
ENJOYS DINNER**

Members of Eastern Star and In-Vited Guests Enjoy Dinner and Social—W. H. M. S. of M. E. Church Meets—Other Manchester News Items.

Manchester, April 3.—Members of the Eastern Star and invited guests enjoyed a dinner and social Tuesday evening. Plates were laid for seventy-five and a sumptuous dinner was served at six o'clock in the Weis hall. Members and guests then retired to the Masonic hall where a program was rendered and a social hour enjoyed. The following program was rendered:

America—In unison.
Remarks—L. A. Mehrhoff.
Reading, "A Dream"—Mrs. H. McConnell.

Victoria selection—"Somewhere a Voice is Calling."

Vocal duet, "Faithwell to Thee"—Mrs. E. O. Hess, Mrs. E. E. Rousey.

Recitation, "When Father Has to Change the Tire"—Edward Akers.

Victoria selection—"Hilo."
Vocal solo, "My Rosary"—Louise Pearce.

Reading, "Little Brown Eyes"—Mrs. C. D. Chapman.

Vocal solo, "After the War is Over"—Mason Dean.

Victoria selection—"Smiles." Reading, "Pumpkin Pie and Oysters"—Mrs. J. C. Akers.

Victoria selection—"Drowsy Waters."

After the program games and contests were enjoyed. A very pleasant evening was spent by all present.

The Woman's Home Missionary society of the M. E. church met at the home of Mrs. Mary Rousey Wednesday afternoon. The meeting was opened by singing "The Great Physician." The devotion, entitled "The Widow's Faith Honored," were led by Mrs. Barnes. Prayer was offered by Mrs. Peters, followed by a vocal solo by Mrs. Wallis. A very interesting leaflet, "Kept for the Master's Use," was read by Mrs. Stevens. This being the month for the opening of the mite boxes the meeting was closed by the opening of the boxes and they were found to contain \$19.

Harry Wells and Miss Letha Cotter were united in marriage at the court house in Jacksonville Wednesday. The bride is the daughter of Mr. and Mrs. Matthew Cotter residing southeast of Manchester and is well known here.

The groom, whose home is in Bloomington, has held the position of operator for the Chicago & Alton railroad company here for the past year. The ceremony was witnessed by Miss Mamie Wells of Bloomington and Mr. and Mrs. H. O. Hudson of Manchester. After a visit with relatives in Bloomington Mr. and Mrs. Wells will take up their residence here. They have the best wishes of their many friends.

Mrs. K. W. Vanderpool of Ashland visited with her parents, Mr. and Mrs. E. A. Lashmet and family from Sunday until Tuesday.

Mrs. F. N. Collins and son Floyd of White Hall attended the dinner given by the Eastern Star Tuesday evening.

Mrs. Henry Dixon of Medora spent Tuesday and Wednesday with friends here.

Pennypacker sez: Compare the prices in the Central Market ad on page 2 to those you are paying elsewhere. "Nuff said."

NOTICE TO BIDDERS.
City of Jacksonville, Illinois
Earth Dam, Filter Plant and Apurtenances.

Sealed proposals for Earth Dam and Filter Plant, will be received by the City of Jacksonville until 12 o'clock noon, on the 11th day of April 1919.

The work for which proposals are invited, includes an earth dam about 600 feet long, Concrete Sillway, a Water Filtrate Plant of 1.5 million gallons capacity with all apurtenances, according to Plans and Specifications on file in the office of the City Engineer of Jacksonville, Illinois, and of Pearce & Greeley, Engineers, 64 W. Randolph St., Chicago, Ill.

A certified check or security bond, acceptable to the city to the sum of \$300.00 shall be deposited with each bid. Bids may be made on the Dam and Filter Plant as separate contracts, or together as one.

Plans and Specifications may be secured upon deposit of \$5.00. The City Council reserves the right to reject any or all bids, waive any informality in the bids and to accept any bid which it deems most favorable to the City of Jacksonville.

**ELI BRIDGE PLANT
SOON TO BE BUILT**

Structure Will Cost Approximately \$50,000—Plans Follow Modern Construction Ide.

Altho the ground has not yet been broken for the plant of the Eli Bridge Co., to be erected near the Washburn passenger station, it will not be many days until J. K. C. Pierson has the entire plans completed. Mention has already been made of the fact that contract for the necessary steel has been let to the Illinois Steel Bridge Co., and men at the bridge company plant are now preparing the steel for early use.

Mr. Sullivan when in Jacksonville recently said that the building will be constructed of concrete, steel and glass with brick trimmings. The general dimensions will be 150 by 225 feet and the estimated cost of the whole plant is about \$52,000. It was the original intention to have the office inside the building but more recently it has been decided to have the office separate and the architect has planned for a 29 by 50 foot cell on the west side of the main building which will afford adequate office facilities. This plan will increase the floor space in the main building and will also add to the general sightliness of the whole structure. Sixty tons of steel will be used on the roof construction and some idea of the amount of this steel can be gained from the statement that if the beams were placed end to end they would extend for a distance of more than a mile and a half.

In the general plan for the building the architect has adopted the most approved ideas for such structures, and when the building is completed the Eli Bridge Co., will have such facilities that it will be possible to turn out a great deal more work than at the present plant in Roodhouse and there will be conveniences which are not possible in the plant of smaller size.

The business men of Jacksonville are indeed very much pleased that the arrangement made with the Eli Bridge Co. more than a year ago is soon to be carried into effect and they believe now as then that the plant will make a very desirable addition to the business interests of Jacksonville. As stated before, at various times the company builds all steel portable Ferris wheels and gasoline generator sets. It is possible also that the products of the plant after thoroughly established here may be increased.

OLD FRIENDS MET.

General Wells from the office of the adjutant general of the state was in Jacksonville yesterday and was the guest of his long time friends, Major and Mrs. E. C. Vickery at Colonial Inn. Gen. Wells came to Jacksonville expecting to be present at an inspection of Co. C. He found, however, that thru some error the officers of Co. C had not been notified and the major of the regiment, who was to make the inspection was not present.

It was recently announced that Felix E. Farrell had been appointed first lieutenant of the company to fill the vacancy made by the advancement of Wesley James to the captaincy. W. A. Walker was named second lieutenant. Gen. Wells was for many years associated with the national guard of the state and was the commander of the brigade in which Major Vickery served at the time of the Spanish-American war.

CHIC SPRING SUITS

Capes, Coats and Dolmans,

Featured at

\$25, \$35, \$45, \$55 and \$65

There is a wonderful lot of dash and style to these crisp new spring garments. And they are so charmingly varied, too, that any one's taste and any woman's type will find suitable and fashionable expression. They are specially good values and well chosen because they reflect the definite individuality, the style culture that is usually found only in much higher priced garments. Among the many styles now favored by fashion, you will find

Strictly Tailored Models

Semi-Tailored Models

New Belted Models

Box Coats, Russian Blouses, Etc.

The woman who wants a trim looking, strictly tailored suit or coat that has the trig precision in workmanship which gives the custom tailored look to high-class garments will find it here. The semi-tailored suit or coat is also here in many new variations on the style theme which many women prefer to the strictly tailored model. Then there are chic blouse and box effects galore.

The Materials are—
Serges
Tricotines
Poiret Twills
Gabardines
Novelty Weaves

The trimmings are—
Buttons
Braids
Silk Arrow Heads
Silk Point edges
Etc., Etc.

The Colors are—
New Spring Shades
Now Most Favored
Also Blue
and Black
All sizes and extras

**Waists of Artistic Charm**

The new Spring Blouse styles are so much more individual than those of former seasons. They look as if fashioned in Paris. They are heavy Georgette embroidered in a new way in strikingly original designs.

MISSION CIRCLE OF LITERBERRY MET

Mrs. Warren Daniels Hostess to Members of Circle Friday Afternoon—Ladies' Aid of Baptist Church Met—Other News Items.

The Mission Circle met on Friday afternoon at "Chestnut Hill" with Mrs. Warren Daniels hostess. Our new president, Mrs. J. A. Litter, took the chair and conducted the meeting in a very nice manner, making a pleasant and edifying afternoon. The study of the text book took up most of the time; after this, Miss Mildred Underbrink gave a reading, subject, "The Missionary Alphabet." For refreshments, Mrs. Daniels served lovely fresh light rolls, with boiled ham; there was golden butter too, and a big dish of salad, two kinds of cookies and some fancy pink and white jelly with fruit and cream dressing, splendid coffee with jersey cream, and we all were offered two cups of the fragrant drink. Eight members were present, and the offering was \$3.55.

Last Sunday W. W. Young and family visited Mrs. Smith, in the Grace Chapel neighborhood.

Mr. and Mrs. Arthur Litter of "Oakdale" entertained at a family dinner last Sunday.

Mr. and Mrs. Warren Daniels of "Chestnut Hill" entertained the Scribner family on Sunday.

Mr. and Mrs. Clay Roach of Piegah visited friends in Literberry on Sunday.

W. E. Murray is going to take a rest now, and ride around in his new Overland car, which he purchased from O. L. Crum, last Wednesday.

Jesse Litter is the boss soap maker of Literberry, having made two large kettles full in half day. He calls it prim-rose soap, and it is extra nice.

George Richardson is improving his property on Peoria boulevard by building another room to his house.

Little June Olyrd is quite sick with some stomach trouble.

The Ladies Aid of the Baptist church met in regular session on Thursday afternoon with Mrs. Talmage Crum. This was given out as a volunteer meeting and

all were prepared to do their part, but after the business, there was only time for a few of the readings prepared.

Mrs. Clarence Thompson read a good piece, it's subject was, "Thankfulness."

Mrs. J. E. Underbrink gave a list of bible questions. Some other time we hope to hear all the volunteer stories and songs, for we know they are good. Refreshments were served and the meeting closed. About 20 members were present.

Mr. and Mrs. Ed Litter of Jacksonville were visiting relatives here last Sunday.

NEW SUITS, CAPES AND COATS ON SALE TODAY

REASONABLY PRICED AT HERMAN'S.

SPECIAL PATRIOTIC SERVICES AT FIRST BAPTIST CHURCH

Sunday night at 8 o'clock there will be a home coming or victory rally in honor of all S. A. T. C. men and returned soldiers of the First Baptist church. All men in uniform are especially invited and will sit in a body. The program will be as follows:

Scripture and prayer.
S. A. T. C. work—John Wilson.
My Experience at Camp—Emmanuel Nantz.

Solo—Hilma Franz. "Sweet Belles of Peace," by Caro Roma.
My Experience Overseas—Everett Reynolds.

Address—"Rulers of the Earth Taking Council"—by the pastor, A. A. Todd.

The Berger Motor Co. has for sale one 14 in. Emerson sulky plow, with extra shear—has plowed about 30 acres. Also one Deering binder—has cut about 100 acres of wheat. This binder can be seen at C. C. Self & Son's, Woodson.

EXTRAORDINARY SALE. Fine homemade Butter Scotch and Golden Crumbles, two 50c items on sale today at only 30c per lb., at MERRIGAN'S.

Wanted—Six or eight intelligent girls—either race—experience unnecessary. Barr's Laundry.

TOMLINSON'S SQUAD WON INTRA-MURAL

Scored 25 Points—Cully Second With 24 and Shumaker Third With 20.

Squad Captain Tomlinson's team won the first Intra-Mural athletic meet on Illinois college field Friday afternoon with a total of 25 points. Cully's team was second with 24 points and Shumaker's squad third with a total of 20 points.

Three events were run Friday afternoon participated in by ten men chosen from the squads which were announced in the Journal a few days ago.

The events were 100 yards dash, 220 yards dash and relay race. The latter was run with ten men, each running 220 yards and was won by Cully's team.

In the 100 and 220 dashes five heats were run, each heat a race. Two men from each squad entered in each event and the points were divided 3, 2 and 1 in the relay 5, 3 and 1.

The 100 and 220 yard dashes developed into some fine contests and a number of sprinters were uncovered who looked good to Coach Harmon. In the relay race but a few feet separated the first and second men at the finish.

The winners of the various events follow:

100 Yard Dash.

First race—Thurman, 1st; John, 2nd; Earl, 3rd.

Second race—Tomlinson, 1st; Farrell, 2nd; Hembrough, 3rd.

Third race—Fox, 1st; Crouch, 2nd; Swain, 3rd.

Fourth race—Peters, 1st; Best, 2nd; Harold Swain, 3rd.

Fifth race—Shoemaker, 1st; Match, 2nd; Antrobus, 3rd.

220 Yard Dash

First race—Thurman, 1st; John, 2nd; Earl, 3rd.

Second race—Farrell, 1st; Tomlinson, 2nd; Thompson, 3rd.

Third race—Crouch, 1st; Fox, 2nd; Galloway, 3rd.

Fourth race—Best, 1st; Martin, 2nd; Swain, 3rd.

Fifth race—Shoemaker, 1st; Antrobus, 2nd; Fox, 3rd.

Relay Race.

Cully's team, 1st; Shoemaker's team, 2nd; Tomlinson's team 3rd.

"Nuff said."

LOCATING LIGHTS

The park board, with the exception of Mr. Gomes who is ill, met with the mayor and Mr. Sieber in central park yesterday afternoon to locate the proposed new boulevard lamps. It is the intention to place some at each of the four entrances, some about the circular walk and some in the center near the site of the proposed monument. It is also hoped that the board will be able to do away with the unsightly poles on the north side not far from the entrance and they would like very well, if possible, to do away with the old iron lamp post which serves as a receptacle for the police call box near the center. That may not be practicable but it will be done if possible.

Some persons on the sly are making baths thru the young grass and they are deserving of punishment. So much hard work has been done to get the park into shape it is too bad that it would be marred. If caught in the act of trespassing on the grass someone will be fined.

"TUBO" absolutely seals punctures. See demonstration today, E. Side Sq. V. Rexroat, Douglas Hotel.

HEARING FOR STREET PAVING

At a meeting of the board of local improvements held Friday afternoon in the council chamber in the city hall, resolutions were adopted adhering to the proposed plan for a paving with asphalt in West State street from Webster avenue west to Finley street. There were no objectors present at the hearing.

DEVEREUX PLAYERS

To be here Saturday evening, April 5, in "Love and Geography" by Bjornson.

Love and Geography is charming. It is a scene from the life of a professor who gradually insists that maps shall cover the entire house in which he lives. His study being too small for the maps he wishes to display, he takes by degrees to the other rooms in the house, runs his wife and daughter away because they disturb his effects, and then comes the counter motif—and of course the women and love win out over geography and the maps disappear and the professor is reformed.

It is a piquant bit of humor—interesting the reader and audience throughout and furnishing many laughs and much enjoyment.

GAGE HATS
MRS. ABBOTT, ILL. 881.

HIGHER PRICES ELSEWHERE
Sometimes we think we have to pay large prices for articles in this country but a gentleman said yesterday a firm had in a factory at Lynn, Mass., an order for 3,000 pairs of shoes and had an offer of \$4500 if he would turn the goods over to a firm that wanted to ship them to Norway.

C. L. Mathis says a recent trade bulletin gave the information that clothing and shoes are much higher in England than in this country.

And talking about high prices; a traveling man was in the store of Mathis, Kamm & Shibe and had with him some samples of shoes from his house. One especially dainty pair of ladies' wear cost \$11.00 a pair wholesale and another \$12.50 a pair.

The 200 satisfied users of "TUBO"—the new treatment which makes tires leak proof—should recommend its use to ALL auto owners. V. Rexroat, Douglas Hotel.

LIBRARIANS DISCUSSED PROPOSED NEW LAW

Measure Would Make It Possible for People in Any County to Levy Tax for Library Purposes.

Miss Lydia Barrette, the city librarian, has returned from Springfield where she went Monday evening to attend a conference of librarians in regard to the county library law which is now proposed. There were twelve librarians in the capital city thru the invitation of the state library commission, and they were guests at a luncheon given in their honor by Miss Price, the secretary of the library commission. There were representatives of various central Illinois cities in attendance, together with Mr. Windsor, state university librarian and Mr. Skarstedt, of the library at the Great Lakes Naval Training station.

The provisions of the proposed bill were discussed at length and all were of the opinion that its passage is much to be desired. The bill now before the legislature provides that the question of establishing a county library may be submitted to the voters at the next recurring election provided that at least one hundred voters unite in a petition to that effect. The county library plan has been worked out in a number of counties and the results have been uniformly satisfactory.

The need of some such plan is apparent when it is remembered that there are eighteen counties with no libraries at all and thirty three counties with but one library each.

The working out of details must be left to each individual county, but in a county like Morgan, with a large city or town located in the central portion, the plan of having a large central library if passed would give to each county authority to establish a general library to which all the peoples of the county would have access.

In some counties where there are no large libraries it has been impossible to supply special books needed for various lines of work. At the local library it has been the custom to procure books of this class from the state university library and the St. Louis library. Books are also obtained from the collection in charge of the state library commission in Springfield.

SPINAL MENINGITIS
CAUSED DEATH
Lloyd Brown has returned from Chicago where he went to attend the funeral services for his niece, Majorie Brown, which were held on Wednesday. The deceased was the daughter of Mr. and Mrs. William Brown, formerly of this city, and while in New York city with her parents she was taken suddenly ill with cerebral spinal meningitis on Friday night, March 28. She was in a critical condition from the first and death came the following morning.

Miss Brown was of an especially attractive and winning nature and numbered her friends by the score. The parents have the sincere sympathy of their many friends here in this time of great sorrow.

IS HIS AUNT
Miss Mary Caldwell, 931 South East street, is an aunt of Senator Kessinger, booked for the Congregational church Sunday night. The talented gentleman will be very glad to see the lady while he is here.

PENNANTS OFFERED TO PUBLIC SCHOOLS

Scoring For Local Health Tournament Will Begin April 6th—Morgan County Anti-Tuberculosis League Shows Its Interest.

The Morgan County Anti-Tuberculosis League offers three pennants to the Jacksonville schools, one pennant to each of three groups. Group 1 will include all first, second, third grades and the Independence school; group 2 will include all fourth, fifth and sixth grades and group 3 will include the seventh and eighth grades at the David Prince school and the Freshman, Sophomore, Juniors and Senior classes at the high school.

Rules For Tournament.
Scoring for the local tournament will begin Sunday morning, April 6, and will continue until May 24, when the National Tournament ends. The records that the children are keeping for the National Tournament will be used in deciding the winners of the local tournament. This means that without any extra work except perhaps added zest in doing the chores, each class or grade of children has the opportunity of winning two pennants, a national and a local. As far as possible, the rules that govern the National Tournament will be used in the local tournament. But the scoring in the local tournament is to be based on the number of chores performed per day per child, while the National Tournament scoring is based on the titles acquired by doing a minimum number of chores per week.

The number of pupils considered shall be the total number enrolled in the class during the week beginning March 30, that is, all pupils who have the opportunity of beginning or continuing the health work on April 6. This number shall be the enrollment for the local tournament. All children of the class must be considered and not merely those who declare a desire to compete in the tournament. This number shall be used as the divisor for the class score in computing the final score in the local tournament.

Contest Runs Seven Weeks.
The first eight weeks of the National Tournament will end Saturday evening, April 5. This leaves seven weeks to go in the National Tournament. It is for this last seven weeks that the local tournament is staged. The work that the children have done in the eight weeks from February 9 to April 5 will be counted, of course, in the National Tournament but will not be counted in the local tournament. Every child in Jacksonville who has a health chore record folder can begin on Sunday morning, April 6, to keep his chores with a 100 per cent aim. Every grade can start in with a 100 per cent chore record in view. Hitch your wagon to a star! Do you know the rest?

Ignorance of Personal Hygiene.
Mothers, fathers and all other citizens of Jacksonville, do you know that the American Red Cross, the Junior Red Cross, the National Tuberculosis Association, the National Council of Defense and the federal government health department have inaugurated this nation-wide campaign in Common Sense Health? Do you know that Col. V. C. Vaughn and Captain G. T. Palmer have published the statement that of more than one million untrained, un-disciplined men assembled by the United States draft within less than one year, most of them were quite ignorant of personal hygiene?

Do you know that 30 per cent of the men examined for the army were rejected on account of disease and other physical defects? And finally, do you know that out of every 100 men rejected, there were only 2 men who could not have prevented their condition by the observance of simple health rules? It is upon eleven of these rules that the Modern Health Crusade is based. Your children, our children, are being urged by their teachers to keep these rules. Help them! Encourage them! Get behind this great national movement and help the children to keep these rules until the health chores have become fixed habits. Who can measure the results? Brighter eyes, better school work, happier children will be the immediate and visible results. But for the future generation that these children of ours will become, who can estimate the value of this health campaign? It cannot be estimated. But we can all co-operate with the teachers and those in charge of this work with this end in view: a 98 per cent physically fit American nation in the next generation.

It also is the purpose to stage several contests for schools throughout the country. The time for starting these contests will be made known later.

Some choice chances for spring suits; Knoses.

FALSE FIRE ALARM
The department responded to an alarm from the residence of J. B. Clark, 1000 Grove street at 8:30 o'clock Friday morning. The alarm proved to be a false one as the furnace was stopped up and smoke filled the house when a fire was started.

RESERVOIR SITE BILL IS SIGNED

Gov. Lowden Yesterday Affixed His Signature to Measure Which Provides Basis for Water Supply Project.

Springfield, Ill., April 4.—Governor Lowden signed the bill today presented some time since by Representative Frisch, granting to the city of Jacksonville state lands on which to construct a water plant. The transfer of the land was made subject to certain considerations.

The measure authorizes the director of the department of public welfare to turn over the real estate on condition that the city construct a dam on the property conveyed for the purpose of impounding water and that the city also furnish water to state institutions at Jacksonville at a cost not to exceed the rate charged corporations.

An emergency clause was carried in the bill which makes it effective at once.

VALUABLE POULTRY.

A lady from the country brought three hens and a rooster to town yesterday and sold the three, for eating purposes, for \$11.12. They were of course large fowls but not of any especially valuable breed and sold by weight to be killed and eaten. More money in chickens than cattle just now.

WAR MOTHERS' HELD MEETING FRIDAY.

The War Mothers of Morgan county met Friday afternoon at the Public Library at 2:30 after an important business meeting. Miss Johnson gave an interesting talk on her experience in war work abroad.

Mr. and Mrs. Levison of Fulton, Mo., and H. L. Gillham of Chicago are in the city visiting with Mr. and Mrs. C. F. Ehnie. Mrs. Levison and Mr. Gillham are sister and brother of Mrs. Ehnie.

PHI ALPHA SOCIETY GAVE PROGRAM

The Phi Alpha Society held their regular monthly meeting in Phi Alpha hall on College Hill Friday evening. There was a large number present and three new members were taken into the society.

The following program was given:

Essays: Thompson—"The Daylight Saving Plan." Brown—"The \$60 Bonus." Declaimers: Mendenhall—"The Tell-Tale Heart."

After—"Life's Retrospect." Galloway and Best extemporized on "Dorm Life."

Debate: Resolved, That Debating Should Be Abolished in the Small Colleges. Galloway and Dolbow upheld the affirmative. LaRue and Lexington debated for the negative. The judges decided two to one in favor of the negative.

John R. Wilson, Edward Thies and Victor Sheppard were taken into the society.

Spring Styles In

If you have never used Colorite in making over your last year's hat, by all means—TRY IT! All that is necessary is a little patience and time.

We have all the colors—Black, cardinal (red), burnt straw, navy blue, glossy black, sage, green, lavender, gray, brown, cadet blue, violet, cerise, yellow, and old rose.
